Summary: Jar-Jar's got his own theory about who the REAL pain was, and he's hungry for revenge. Some language, but I censored out the worst of it.

 (A/N: I honestly don't know if this is funny. It was in my head and I just had to write it. Tell me what you think!)

>
 Hello. Mesa called Jar-Jar Binks. Yousa may notice that I'm talking in a deep voice. Yousa also may notice that I'm dressed all in black. I'm also carrying an AR33 assault rifle, so keep your mouth shut or prepared to f(censored) beyond recognition.

>
 Yousa all hate me. I know. My house gets egged often. People burn little Jar-Jar toys in my front yard. Guys in white sheets chase me around on horseback with whips and chains. And not the good kind.

>
 I don't get it. Yousa all love the little green muppet jedi. Yousa all admire the self-absorbed queen with the bad makeup. Yousa all adore the obviously gay jedi boys. But notsa me. I'm the pain. I'm the comic relief gone horribly wrong. But I'm a better actor than them all! Combined! I went to Princeton, for cripes sake! I don't deserve to be offed in Episode Two. They say that I'll have a great part in it, but you all know that they'll kill me in some horrible brutal way, just to please the fans.

>
 I'd just like you to know that I was just following the script, and I'm not what caused the movie to go bad. It was that damn Lloyd kid! A wet potato could act better than him! He was the mistake! Send him the death threats! Burn down his house! Kill him! I'll lead the crusaders!

>
 Join me, and we'll use the real force to whoop his ass!
